“Becky & family, our thoughts & prayers are with you during this sad time. Judy was a very sweet & pretty lady. A memory of Judy that I have is when she & Ted had a pear tree behind our house & she, your Aunt Barbara & Uncle Denny would come & pick the pears off the tree & the ones that were on the ground. Denny was the designated “tree climber” to shake the pears off & she & Barbara would pick them up & made sure he got them all shaken off before he climbed out of that tree. (Lol) They would get so tickled if one hit them on the head while he was shaken them off. They always just had lot of fun being together. By the way, those pears were delicious. ❤️😊
