“ *Uncle Jimmy, you definitely made an impression on my life. You took me fishing, dropping anchor at sunset and pulling it up at sunrise with a boatload of crappie. You were an amazing fisherman. But what I loved the most were those Friday nights at BIR (Birmingham International Raceway) and the Talladega races. You always had a hookup to get in free since everyone loved those crappie you'd catch. I'll never forget those days. I miss them so much and I'll miss you.*
