

JOEL SCOTT WARREN

July 26, 2017

Joel Scott Warren, of Pleasant Grove Alabama, unfortunately passed away Wednesday, July 26th of 2017 after a two year battle with cancer and heart complications. He is survived by parents Jean and Gillis Warren, siblings Barry Warren and Debra Sanders, also his two daughters Brittany Warren and Tiffany Miller with two grandbabies Aralynn Elizabeth and Kendalynn Marie. Scott touched many hearts in his time with us here, his families, friends, and random strangers. He loved to make people smile, even with the smallest gestures. During his time here one of his favorite things was coaching his two daughters in softball, being their trainer, coach, and father. Pushing them past the limits they had set for themselves so they would reach for the stars. Scott had a saying, won't never will, can't never could. Meaning don't give up on anything, if you push yourself hard enough you can over come the most difficult obstacles. This will be one of them, but he would want everyone here, and those that couldnt make it, to keep pushing forward. Keep your chin up, shoulders back, and push forward. Visitation will be Friday for 5:00 PM until 7:00 PM, at Peoples Chapel Funeral Home. The funeral service will be Saturday, July 29, 2017, at 10:00 AM at the Funeral Home. Burial will follow at the Pleasant Grove Cemetery.

“ *I knew Scott from working with him at ACIPCO. After I retired I made a point to call him often and see how he was doing. I also kept up with him on Facebook like most people do these days. He was a good man and will be greatly missed. My prayers go out to the family and you have my deepest sympathy.*

“ *To the family*

To say I'm heartbroken would be an understatement, so I can't imagine how you all feel. It was an absolute honor and pleasure caring for Mr. Warren at CTCA. He was an amazing guy whom I considered family! I will miss our hugs, talks, check-up phone calls, and of course, our well-known Auburn/Alabama rivalry. We always greeted one another with Roll Tide and War Eagle and agreed to disagree when it came to sports and our teams! He loved you all very much and adored those granddaughters. Cherish your memories of him. Prayers of love, peace, comfort and understanding to you all. Last but not least, I'm sending my loudest "ROLL TIDE" to heaven!!!

With heartfelt sympathy Annica Potts, RN CTCA (Team Rich)
