“ I have many wonderful memories from childhood of Jonathan with his brothers being toted around on shoulders, sitting at Maw Bailey's table of country feasts surrounded by crocheted fineries and homemade jams and pickles. Many wonderful summers were spent with the boys at Uncle Jim's cabin- a wonderful respite from summer heat with those colorful lanterns glowing with the fireflies to light our path. My most recent memory was talking with Jonathan at the Scuppernong vine where my father and I used to have our deepest talks. I shared one with Jonathan as 2 adults who had led lives apart but were still connected in so many ways. I will cherish that memory. His heart was big and his sense of justice and family strong. I wish we could have fished together off his dock and shared more of those deep conversations. He will be deeply missed.

“ To someone very special to me, and who was there for me when no one else was. He always said I had a big heart, but I believe it was him, with the big heart. You will be missed very much! Roll Tide Roll! Love, Denise

“ Thoughts and Prayers going out to Jonathan's family and friends. I had the pleasure of working with Jonathan for nearly 20 years at Alfa in claims and always enjoyed talking/working with him. Being an Auburn fan he and I had a few "spirited" football conversations but they were always respectful. He was a great guy and he served Alfa very well over his long career. He has been missed the last two years since his retirement and now will be missed even more. Hate we never got to go fishing together. Rest in Peace Jonathan and thanks for the memories! God Bless you and your family.
