“ *Mr. Joe will be Greatly missed. I started working with Mr. Joe when I was just 22 at what was then Big "B" Drugs warehouse on Morgan Road. He was a great mentor to everyone he was associated with. He was highly respected and took his job seriously. I literally worked hand and hand with Mr. Joe and he would occasionally tell a joke and just have me rolling in the shipping department floor. He was truly a 3rd grandfather to me and was the type person who never met a stranger. Watch over us Mr. Joe and we live and miss you greatly.*
