“ Dear Densmore family:

Laraine and I send our deepest condolences in your loss of Joy. She was a remarkable woman! We were blessed to be able to serve with her in the Birmingham Temple for many years. No one was more faithful or committed. We loved her very much. She and I had many conversations about how she did not need to be riding horses and she always replied "I don't know why not!" She has gone on to a great reward!!

Please know that your family is in our thoughts and prayers.
