“ *First off I just want to send my condolences to the family..  
I am also sad and tearful about your families loss..  
God will get you past what you are going through.  
I know the feeling as it is oh so familiar with me and my wife losing  
our oldest son back in December..  
But I do know that both our family members are in heaven right now  
smiling looking down on us.  
The last memory I have of this beautiful beautiful neighbor of mine  
was seeing her smile every time I would come up to her..  
I would say hey beautiful how are you doing today? and she would  
smile like there was nothing wrong with her and that memory will  
forever be embedded in my mind..  
She was like a peaceful angel to me..  
May God bless her soul love always Mr. And Mrs. Broaden and  
family..*
