“ *My mom had a hard life in her early years due to circumstances beyond her control. It did leave scars upon her heart. But, she fell in love with a handsome soldier with a quiet spirit and big heart. My Dad. My mom had a heart for her Children and gave of herself. She was sweet and humble but gave admonishment when needed. she also sparked my imagination with her creative spirit. We all love her and she will be missed. Thank you God that she will now be in your care. We will see you again! Love from your Daughter Karen*
