“ Momma Judy, I know you are dancing in heaven although that our hearts are full of sorrow. I will never forget your beautiful smile and some of the talks we shared. You were always a second mom to me and I will always be grateful for having you in my life.

“ My condolences to her family and friends. I remember riding her bus in 1984 when I was in the 10th grade. She was funny, caring, and tough all at the same time. God rest her soul.
