“ I wish I could say something that would take away all your pain and heart ache. Justin was so loved and a wonderful young man. Things happen we will never understand. I can tell you for myself the only thing that makes me have a little peace is knowing my daughter is here with me now more than ever. And please trust that Justin is in heaven because God forgave him way before this happened and he is still with you in spirit. I am so so sorry for yalls loss.. “ I've only had the pleasure of knowing Slow ride for about a year. But he became to be a close friend. He was always respectful and made me laugh. I hate so bad we didn't have more time together. I cherish the time we did have. I will miss him and carry him in my heart always. Love ya Slowride
