“ *Always loving, always caring, and always with a sweet word whenever we spoke. I am so grateful for the time God gave us together, no matter how short. I will carry love for you in my heart, and a smile on my face whenever I think of you. God gained an angel, and for that we must rejoice, but I am selfish in wishing you were here a little longer so I could know you more and hold you in my arms the way you held me when I was little. All my love, Angie* ”
