“ *Wish I could be there with the rest of the family to honor Keith and say goodbye. I have known him all of his life, and will miss him for all the rest of mine. I am still in such shock I can't comprehend that he is gone and I will never see him again and I know all of the family feels the same way. I keep trying to think of something profound to say that might somehow help you to come to peace with this and help in anyway. Only the Lord can do that, I know. So I guess we will have to just trust that He will and take comfort in knowing whatever happened, and however much our hearts are broken over our lose (and it is without doubt THAT)Keith is now happy and at peace with the Lord. And I am so grateful to have that knowledge and that assurance. I love Keith and will miss him more than I can say. Farewell my dear cousin. God bless and comfort you all!!Love, Barbara*

“ *I am so sorry for your lost. I was a co-worker of Keith's and will always remember him fondly. I hope this verse will bring you comfort as you walk thru this time. Is 60:19 "For the sun is no longer his light by day nor does the moon shine on him. For the Lord is now his everlasting light and his God is now his glory."*
