“ I had the honor and privilege of meeting Kelley when we were in the 9th grade. By the 10th grade Kelley, Jennifer, Brandie and I were like sisters. Even as a kid Kelley was the sweetest, kindest and most caring friend you could ask for. I still remember her contagious laugh and her beautiful smile. We all loved each other through our high school dramas and got into and out of trouble together. Over the years Kelley and I lost touch with each other. Through Facebook we connected again. Even though years had passed Kelley was still that sweet, kind and caring person she had been so many years before. I have no doubt that Kelley is in a much better place now. I know that she will be greatly missed by many people. I also have no doubt that one day I will see her again. My love and prayers are with Kelley's family and numerous friends. What a life you must have lead Kelley to be loved by so many. I am blessed to have known you and to call you my sweet friend.
