“ *My dear cousins, Brenda and Dane and my new found cousins, Judy and Katrina - I am so sorry to hear of Kenneth's passing! I wish so much that I could be there. My heart aches for all of you. Though it has been many years that we have been togehter, the bond that we will forever have will always be. And though it has been a long time since we have been in each other's presence, please know you have never been out of my heart! May God bless you all and be your comfort. And may Kenneth now dance with the angels and all of our Moms and Dads, and Mom and Dad Knight who all welcome him home. Love you all!!!! G*

“ *I've known Kenneth's son Brad for a few years, and we have a lot of mutual friends from Florence. I didn't know Kenneth personally, but he must have been a great man. You can see that through Brad, as he is a true, dependable, leader in his work, as well as, his daily life with his family. You can tell what's important to Brad, and that doesn't get instilled into someone by accident. Prayers are being sent to the entire family. Sincerely, Barrett Oakley*

“ *Dear Judy and Family, We are praying for you at this difficult time, but know your strong faith will bring you peace. Judy, you were a devoted caregiver to your Ken for many years, and inspired all of us who know you. God bless you, and may he wrap His loving arms around you in the coming days.
