“ *Momma you will forever be missed. My heart will forever have a missing piece. You are my best friend, the one that I could tell anything and everything to. The one that made everything better! I'm so glad God picked you to be my momma. I'm so glad that we got as close as we did in these past years! I love you momma so much and wish so bad that we could of had more time. God needed you more! You are one beautiful angel now! Fly high momma! Rest In Peace.*
