“ When I look back on my childhood, and the years that we spent as neighbors and best friends, I can't help but smile. From discovering boys, to sneaking cigarettes from my dad or Paul and Georgia, to roaming the roads and woods from my house to hers. We were just discovering who we were, and still so carefree. I look back with warmth in my heart and love for a dear friend. She was surely a very special lady and loved by many. Rest in peace old friend and enjoy your beautiful forever with Emily. Prayers for Georgia, Jim, and all the broken hearts that loved her so much.
