

## LARRY MARL GREER

January 27, 2025

With great sadness, and much love, we mourn the death of Larry Marl Greer (71). He died peacefully on January 27, 2025 at 12:34pm with family around him, in Birmingham, AL.

Larry was a one of a kind, loving husband, father, brother and friend. Everyone who met him had a story that made you smile, and often laugh at the mention of his name.

Larry is survived by his wife Janice, daughters, Gina Akin (Brian Akin), and Marla Greer, his son, Micah Greer (Courtney Greer), siblings Ronny, Donny, Eddie, and Lisa, six grandchildren, Weston (Emery), Karis, EJ, Marlin, Shiloh, and Finley and his furever friends and close companions, Marl, Buggy, Stein, and Thumba, and a host of other friends and family from along the way.

Larry will be missed immensely, but we are completely comforted knowing he has stepped into his true home with his Heavenly Father. A memorial

celebration for Larry is TBD in the near future.

“ I had the better and the worst of you, your sickness and your health .  
Our richer and poorer. But this parting thing is very hard.

“ I love you dad!

Thank you for helping me through life. Thank you for showing me how to be a parent. I hope I can do half as good of a job as I feel you have done for me. You taught me how to be selfless, patient, humble, kind, generous, loving, funny, happy, grateful, forgiving, and above all, have a strong faith in God. You showed your love for me every single day and I knew that you would do anything in the world for me.

What a joy and honor it has been to be your only son. I could never put into words how much you mean to me, but now you know. I can't wait to see you again in our true home. A place that has no pain, suffering, disease, or sadness.
