“ *I just want to extend my condolences to Peggy and all the family. I worked with Larry at Norfolk Southern R.R. for many years. I actually knew Larry before I went to work there because he and my brother J.C. were friends and used to fish and hunt together. He was always a good friend and a great mentor, when I first started working at the R.R. I'll always remember his smile and the many conversations we had over the years.*
