“ Lauryn was a very caring, wonderful and giving person, a phenomenal photographer, diligent and dedicated student, and will be greatly missed. She gave generously to her classmates by providing professional photos without asking for anything in return. She brought joy and fun to our class and was a critical thinker.

“ Lauryn was an extremely special young lady. I have to say that her passing has really hit me strong. I have very fond memories of her as a little girl playing with Mckensie. She never lost that sweet and gentle way even as an adult. This world lost a very sweet and kind soul. Praying for all the family and friends
