“ *Dear Lucas family, I am saddened to read about Mrs. Lucas passing! Mrs. Lucas and I go back probably 20 years when I used to work as a substitute teacher for her in the library at Hueytown Elementary School, she and I developed a long time friendship during those years! I haven’t seen her for at least 10 years! I remember her kindness and her beauty inside and out! We know she is in a better place and God gained another angel into his kingdom! Praying for you during this time! ❤️*

“ Sis (and her late husband Ed) loved Hueytown, and many of their efforts through civic clubs were aimed at making the community a good place to live, work, and play. They were great neighbors. Our family will certainly miss seeing them outside on their porch, rocking and enjoying nature. Kay DL and Kyndle Huey
