“DOC” Weldon was such a friend to our family like he was so many others. I don't know how but my dad help him one into the store he now occupies. When we were clearing out my parents things I found a whole box of marketing materials associated with the opening of Weldon Pharmacy. His kindness always ne remembered

“ I was a first year pharmacy student at Samford University McWhorter School of Pharmacy when I met Lee Weldon (1973). I was encouraged to apply for a position as a student at Weldon Pharmacy. Reluctant to work too many hours while in pharmacy school (focusing on school work), I agreed to work 10-12 hours per week for “Doc” Weldon. Within 3 weeks I was working 38 hours a week, going to school full time. It was one of the best and most satisfying, rewarding jobs I ever had. Lee (and his family) and I have been close friends for over 50 years. Lee was the finest Christian man I have had the pleasure of knowing. Lee, you are missed. Peace to the entire Weldon family.
