“ Some of the best childhood memories i have were at Aunt Leora's and Uncle June's. The laughter and the love in that house was real in every way, and it made everyone want to be there. Aunt Leora was the center of it all.. spoiling us all rotten and always with a smile on her face. I love you and cant wait to see that smile again.

“ Loved her and know she is in great company in heaven. She was always the sweetest woman with a smile for everyone. God will have a special angel as we will be less one here on earth in her absence. May the Lord give comfort to her family as they find themselves learning to go on without her.
