

LINDA EARLE FRANKLIN

April 5, 2022

Linda Earle Franklin joyously entered into the presence of her Lord on April 5, 2022. She is lovingly remembered by her family and friends as Momma, Ninna, Big sis and Mrs. Franklin. Survived by her daughters Paula Austin and Tricia Franklin. Loved sister Susan Burr and brother Patrick Burton. Granddaughters Dakota Argo and Ashley Corley. Great grandson Joseph Argo and extended family. Preceded in death and reunited with her Sweetheart, James Franklin, mother Hilda Burton and daughter Jamie Denise. Linda was a mother and mentor to many, and always had an open door to those who needed a friend. Her laugh and smile were contagious; they would light up the darkest room. Her love was unconditional. She was easily the most hospitable, encouraging and servant-hearted person we have ever known. She always had the right things to say during difficult times. She was resilient, thoughtful, kind and funny. She would give freely, expecting nothing in return. Through her own struggles and physical pain, she still praised His Holy name. She loved to talk about Jesus, His goodness and count her many blessings. After every goodbye, she would always say, "I love you bunches!" This is not goodbye, but until we meet again, "we love you bunches!"
