“ I've lost a sister, a friend, a confidante, an Auburn buddy...way too soon! She has been so close to my family for so many wonderful years! I can't remember a time my kids & grandkids didn't call her Aunt Linda! Even my great-grands knew her as that! My mama & daddy thought of her as a bonus daughter...going on Elks trips with them, especially when David & I didn't go! We have sooo many great memories...too many to share here! The time after Michael passed away & before her & Patrick were dating seriously, the 3 of us use to go out all night...partying & shutting places down, then on to the Omelet Shoppe to chow down with law enforcement personnel! We enjoyed ourselves so much! I will never forget you! I will forever miss you! I am mad at you for leaving without telling us goodbye! But as much as we needed you....you needed Patrick more!❤️ Go rest high on that mountain 🏔️ & save us a seat...I love you 🥰
