“ *I was at the Piggly Wiggly in Columbiana several years ago . I was in the middle of an isle looking at something when I heard a lady from the front of the store hollering, " It's you! It's you! It's Really you"! I looked and it was Linda. She ran up to me and gave me the biggest hug ! She was telling me that her and her mother had just been talking about me and my twin sister. I will never forget that moment. Linda was the most genuine, loving, friendliest and happy person I have ever met. I grew up with her in church and in school . I am so saddened to hear she has passed. I just can't believe it! Prayers for her family.
Loved her,
