“ *Linda and Leon, our prayers are with you all. Your mom was always very special to me. She was a wonderful seamstress and I remember the couches she reupholstered for me for our wedding present. That was the best gift I could have received. She was always fun to be with and put up with my and Linda's silliness. I will always love her. Love to you both.*

“ *Lorene was one of the most beautiful ladies (inside and out) that I have ever known. She was always smiling and had such a gentle spirit. I remember her when I was a little girl with that same sweet spirit. She cared for my three children and countless other children in our church nursery for many years . She was a mentor for many young women exemplifying Christian love. We shall miss her but will not forget her gentleness, kindness and love. She is now in the presence of Jesus and has been re united with her precious husband as well as many other family members and friends! Rest in Heaven my precious friend until we meet again! Love you forever.*
