“ I worked with Lucille at US pipe in her last years there. She took me under her wing and was like a mother to me. We had many lunches together in hueytown and I loved every one of them. I will truly miss you. Lucille. May you rest in peace and with any luck I will see you in our Lords heavenly home.

“ *Lucille was a wonderful Lady, always was a very kind sweet Lady, I met her many years ago when I married her nephew Gene, never spent time with her, but anytime I would see her at store, or nail salon, we would talk, I knew that she was a fine Christian woman, in fact the last time I seen her was at nail salon a few months ago, never new would be the last time I saw her.😭 But we did send each other messages on Facebook, I hope she knew we loved her, my only regret is I never got around to go see her, But I know one day I will see her again, and we all will if our hearts r right with theGood Lord above. To all her Children and Grandchildren, I will pray 🙏 for God to wrap his arms around each of you and comfort each of you at this very sad time, Love Theresa and Gene Martin*
