She loved her family and enjoyed being around them. Lucille was a big believer in the Lord, Jesus Christ and attended the Voice of Life church where Brother Phillip Oliver was her pastor. Lucille was a giver and was always willing to help others. She never met a stranger and loved talking with everyone.

“ I met Lucille at the cemetery where my grandson was buried. She was so kind and I always looked forward to seeing her there. She told me about her family and I told her about mine. I always admired how she took such loving care of her daughter's grave site. Every time I saw her there it was just like sitting and talking to a lifetime friend. She was a good and kind person and I feel honored to have known her.
