“ *Hello! Mother, Just wanted to remind you that today is my birthday and I miss you more than ever. I remember you telling me the story of the day I was born. You said I waited until the Dr left the hospital and then when it was just you and me I came into this world. Well, just 5 months ago today, It was just you and me again when you left this world and went home to heaven to live with Jesus. I miss you everyday but at least I know where you are. Walking on the streets of gold with Jesus, my daddy and my sister. I love you always and forever ??*
