“ Susan & Sherry, your mom was such a special person and I'm so sorry for your loss. I hate we are not in town to celebrate the amazing woman she was and the family she so proudly raised. I'll never forget the time she took me in during the ice storm when I was stranded and could not make it home. She opened her home to me and when she found out it was my birthday we celebrated with birthday muffins! She made that whole experience so special and it was the first time we had met. It's like we had know one another for years. You continue to be in our prayers. Annalee and Paul

“ Nootsie was a very wonderful person I loved dearly. I so enjoyed taking my mom(linda Loyd Elmore) and dad (Mickey Elmore) to tunica to visit and spend time with Jr and Nootsie and sherry and Susan. Some of the best times in my life. Love her and will miss her very very very much.
