“ *My sincere condolences to the Welch family. It's no way to really describe the pain one feels when he or she loses a loved one in death. Feelings of sadness and grief can be so overwhelming during this time of mourning. However, comfort from the scriptures can give you hope. John 5:28,29 speaks of the promise of the resurrection hope. What this can mean for your family is a real hope of being reunited with your dead loved ones. May the God of all comfort be with you during this difficult time.*
