“ I was so sad to hear about Aunt Margie passing away. I remember when all the cousins were young and the families got together, she was funny and always making jokes. Both she, Lowell and daddy were silly, trait of the extended Wallace family. I havent seen her in decades, but I havent forgotten her. My thoughts and love go out to the family

“ Our prayers and deepest sympathy go out to the Wallace family at this time. Margie was a dear friend and a second Mother to me. Margie always lived a joyful, beautiful, caring and creative life and I, my siblings and my parents were touched by her in ordinary to extraordinary ways. Margie, Lowell and their three children were fun-loving and the best neighbors and friends growing up in Bessemer Gardens. I will always remember her kindness, her laughter, her stories, her energy and her enduring love. She was admired as a wonderful person and when I think of her, a smile always comes to my heart. She will be missed and she will be remembered as a brilliant light in my life. With love and, Rhonda Southard Porter...and the Southard family....
