“ So sorry to hear of Mrs. Sadler's passing. I was one of her students at Charles A Brown. I saw her again in Hueytown when my kids were in grammar school at Hueytown. She had not changed a bit. She was a beautiful lady and loved her music class as well. I remember the folk songs she played and we sang. Looked forward to that. Thoughts and prayers to her family! She was a blessing!

“ I thought Mrs. Sadler was the prettiest teacher at Charles A. Brown Elementary when I was there. When my oldest children attended Central Park Baptist School I was surprised to find she would be their teacher as well...and she didn't look like 20 years had past since she was my teacher.

*I've never forgotten the timeless folk songs she taught her students. Now I sing them for my grandchildren.*

*Thank you Mrs. Sadler for all you gave.*

“ So sorry to hear this. Mrs. Sadler was my teacher at Charles A. Brown. She was such a fun teacher that could command the room with just one LOOK. We were also neighbors. Prayers for her family.

“ My deepest sympathy to Mrs. Sadler's family. She was my teacher at Charles A. Brown and I loved her dearly. Such a beautiful, classy lady with a natural charm. She invested so much of her knowledge and love for teaching in each of her students. May God wrap you all in His loving arms and comfort you during this time of grief. I trust in my faith and belief in the birth, death and resurrection of our Lord, Jesus Christ that we will see her again in Heaven.

*Beautifully said, Renee. Mrs. Sadler always had a smile and a kind word. She was a vivacious woman who enjoyed life. She was a Proverbs wife and a great example of God's love. The world is less bright without her.*
