“ *Dear Sammy, Bing, and Bill,*
I always felt special when, out of the blue, Aunt Mary would send me a letter. I don't know if you remember (you were "little") the times when I would come to your house in Corinth every week (while Uncle Howard was away in the military) and help Mary, mostly ironing, for 50c an hour! My first job! I loved the chance to hang out with her, and wish I'd lived closer so I could have had more opportunities over the years. A great lady, missed by all. I love you all.
