“ I just read this and am so sorry I didn't know. Cat was a year ahead of me in school and I always loved HDR! I lived on Vines Avenue and Cat lived at the end of our street on Hueytown Rd. We walked to school together every once in a while! I loved her laughter! She was such a hoot! I remember her Mom & Dad! My friend, Mary Margaret & I used to slip over "Peewee's fence to go down to the lake until a bull got after us one day! Needless to say, that was the last time climbing the fence! Cat got so tickled when we told her about it! Well, I am blessed to have known Cat and just wanted to share it with you and to say that I am so sorry!
