“ Although I Never Met You, You are very dear to my heart. The way your loving daughter Andrea always spoke so highly and kindly of you made me (and the rest of the 9th floor) your biggest cheerleaders.

We followed your progress closely as you battled and fought for many years, with grace, strength and beauty that I see everyday in Andrea. And If the apple doesn't fall too far from the tree, I would have been amazed to see and meet you personally !!

I hope and pray that you are finally at peace and that the holy spirit comfort your loved ones who mourn your loss.

God Bless You and your family and may you forever rest in peace.
