“ I had the privilege of meeting Granny and becoming apart of this wonderful family that has become my own. Granny treated and loved me just as her own and I love her as mine. I am so very blessed and honored to be the mother of some of her great-grandchildren. I will always carry her in my heart and always keep her alive by reminding the children how much she loved them. Her face would light up everytime each one came around. I love you Granny. Sis' home will never be the same without you. May you fly high with the angels, walk with Jesus and touch the face of God. Rip. You will be truly missed til we meet again.
