Joyce was a cheerleader and a Retrospect Queen. She graduated in 1959 from Hueytown High School. She attended Valley Creek Baptist Church where she served on the Homecoming and Homebound committees. She loved children and directed VBS and stayed involved until she was unable.

Married 61 years to her husband, Gerald Lovell. She created a life and held steadfast in her faith. Joyce loved to sing in the church choir and sang trio's with other church friends. She loved her family and it meant everything to her. Her home was always filled with love, laughter, and memories made. She loved to celebrate each family member's Birthday. She would cook their favorite dish and a cake. She made her daughters, grandchildren, great-grandchildren feel special on his or her day. She loved to cook and fellowship with her family. She reminded all her family to have faith, always draw near to the Lord, and call on him in times of need. She always made herself available for others and was kind, giving, and a friend to so many.
