“ *Dear Jimmy, Jeri and Family,
I was saddened to hear the news of the loss of Mrs. Harris. It is a blow to lose that first person to know you and love you, That person who has begun with you and then begins again with the family that you bring to her. A wife, a child, great grandchildren. You will have blessed each other in ways too numerous to count. Love is complicated, but worth it. Try to find humor and respect in those hardest memories, and embrace the joyful, humorous, happy times as often as you can. You will relish the good and happy feelings that come to you as a result.*

You are all in our prayers.
