“ It has taken me a couple of days to come to the realization that Maxie is really gone. When I heard I was so shocked but at the same time also flooded with incredibly warm, joyous, laughter-filled, precious memories that I was blessed to share with Brenda and Maxie as we were becoming young adults (Panama City Beach, Winning the Twist contest and Running out of gas late one night while riding motorcycles). Those are all precious to me and memories I will always treasure deep in my heart. Maxie had a huge extended family that loved him dearly. We do miss him but have peace in knowing we will see him again one day ... flying with the angels.

Until we meet again, dear cousin...

“ Maxie was one of the best! He was always there for anyone who needed, or wanted help in any way. Having known him for several decades, I never knew him to have a cross word about anything. One of the fondest memories with him was a shared afternoon motorcycle ride with him along Lock 17 road thru the byways of Oak Grove. The many times we shared with the Carr family et al at Dauphin Island and the woods of west Mobile will truly be cherished forever. God Bless Maxie for all the fond memories he has left for his family and friends. We will miss you dearly.

“ *The first time Jeff and I met Pop he had own overalls and a great big welcoming smile on his face. We immediately fell in love with him! Heaven definitely gained a sweet angel. With love, Jeff and Regina Graham.*
