“ Melissa was my mother-in-law and she was also my "spiritual" mother, as she is the one that led me to the Lord. Not only did she get me involved in church, but by the example she led of her love for the Lord. She was like a second mother to me, and later on, my friend. I have so many wonderful memories of her and she was an important part of my life. She is a beautiful, sweet, and precious lady and I know that right now she is in Heaven and her faith has become sight! Until we meet again, I will always cherish the memories and the huge impact that her influence had on my life and the life of all in the family over the years.
Prayers to the family and friends during this time of loss.
