“ Mike and I were great friends at ages 13-16 and remained good friends after. We had many adventures together; playing guitars, vacations, riding bikes, fishing, hunting, etc. He was such a good and kind friend and always laughing and enjoying life. I treasure our times together and the wonderful memories I have. May God be with you Janice and your family. You have been blessed with a wonderful husband, father, and grandfather. We have been blessed by having been touched by a true friend!
