“ *Dear Eva Nell and Heather, we were so sorry to hear of your dad's passing! We have always thought a lot of your family over the years, Dennis has always seen you Eva and Mike out places and he would mention y'all to me! I am disabled and don't get out to much, but we will always remember your dad's help with Dennis garage that he was building himself with some helpers, well a long story short Dennis was in a bind when it came to the rafters in the building of the garage so he happened to think that maybe Mike Voytanovsky was a builder and was hoping that he could give some input on this situation, he went over to his house and explained to him about the bind he had encountered, right that very Saturday (probably 35 years ago) Mike said sure I will come and see what we can do, well that very day things got to going and without Mike's help he would have never got this job done! Still to this day We appreciate the kindness of your dad that he came to help someone in need! These memories will live on in all of our hearts forever!! Love and prayers for your family! Also, Eva Nell Mrs. Crawley was always so happy to see you in the grocery store and how sweet you were to her too!! SUSAN & DENNIS CRAWLEY (HUEYTOWN)*

“ *Our thoughts and prayers go out to Eva Nell and the family. It is unfortunate that we weren't able to spend much time getting to know Michael, the time we did have will always be treasured. On the day we all met, Mr. Michael talked with Alan and shared stories from his past. They talked both of the construction days and of the Buchanan family. Michael welcomed Alan and treated all of us as family. What a blessing to us! We know that Michael will be missed by by all that knew him. We will be praying for God's peace and presence to be felt by the family and for comfort during this difficult time.*
