“ *My heart hurts at the loss of Uncle Mike. So many fond memories of him growing up. I know that once again he and my Daddy are with each other and with my Grandma and Grandpa. They are celebrating being together again while we miss them all so much here! One day we will all be celebrating together once again. Praying that god holds and comforts my Aunt Peggy and cousins Laura and Michael close during this difficult time. Until we meet again, love you Uncle Mike!*
