“ To our dear friends Mike and Kitty Pearson and family. As you know Sam and I know the hurt and pain you are going through. I can honestly say through experience that God will guide you and you will fill his arms around you when you need it most. God has got them in his loving arms protecting them from all evil and pain. As I have gone through this, God has put people in my life and unbeknowing to me, that I have been able to witness to that has gone through the same as have. Hope you can find a good support group, as there wasn't one for me. Our love and prayers Rebecca & Sam Russell

“ My prayers are for the survivors of this horrific day. Be at peace knowing they are with God. Pray and continue to know that he will supply all of your needs. I did not know them and I only that they are in the presence of God. Cling to each other and God will comfort you in the days ahead.
