“ Jimmy and Troy, I didn't know your dad, but I'm sure he was an awesome man. After all he raised the two of you to be good, kind and respectful men. I am so sorry about his passing and I know you will miss him so much. My heart goes out to your mom. I know the lonely days ahead that she will face without her soulmate. My prayers are with you all. Love you, Necie Wilson, mother of Chris, Mark and Angi.

“Dad, my fondest memory of you is when I sprayed you with the garden hose. It was a big job tearing down the giant doghouse. It was you, Mom, Troy, Jimmy and I. My job was to keep anything from running towards the house with the hose. Chaos! It all happened so fast I panicked and sprayed you instead. I just knew I was in trouble and should run. You turned around and locked eyes with me so fast I just froze. The next thing I know we are all laughing so hard we can hardly stand up straight. So just remember dad. If you get sprayed with a garden hose it's just my grandmother helping me say hello. Thank you for all the wonderful memories I love you and miss you dad love Monica.
