“ I still miss my best friend, he & I were very close, and extremely happy. Alan was a good man and I just can't believe he is gone. I was holding him in my arms when he went.

“ It is so hard to believe... less than one year ago that my sweet Daddy was called home, now my brother Alan was headed home to be with my Daddy. I know that they are having a good time in Heaven -- no more sickness, no more pain for their bodies, but there is a lot of pain left here on Earth. Alan is my older brother, and of course, older brothers are the 'boss' and yes, he bossed me and Jeff around a lot (lol). My heart is just broken that he had to leave us so early in life, but I know his body has healed. I miss you my brother and I hope you and Daddy are having a good time up there - - keep an eye on us until we meet again. I love you so very much and miss you even more. Your Sister, Connie

“ I'm so sad to hear of this. I will miss seeing Alan and fixing those buffalo wings he so loved. I pray for Ms. Delora and wife Mary to somehow find comfort. He has gained his final reward. God be with the family. Ann Quinn

“ We only met Alan a short time ago, but immediately liked him. He became part of the family right away. He was so laid back and low maintenance and even liked our Cajun cooking. We had fun watching football and talking about his past work and of course his Grandchildren. His family was very much his priority. I wish we had more time with Alan but feel blessed to have had the time we did. We will miss you Alan. Our prayers to Alan's family.

“ Alan, you will be missed by everyone.

I have so many fond memories of Alan, but one of my favorites, is when he used to stop in for a visit when his daughter-in-law Jenny and granddaughter, Emily lived with me, Jenny's Mom. He would have Emily sit on his lap and tell her to "look in Paw Paw's shirt pocket". Inside was money and Emily's face would always smile as she pulled the bill from his pocket.

Alan always went out of his way to help me. He would come over and mow my lawn and never charge me. He was always willing to help me out no matter how small or large the chore was. We had many great talks on his porch and good times when we all were at the river house.

May God bless you, Alan. I will miss you.
