

NATHANIEL RAY MAXWELL

August 7, 2023

Nathaniel Ray Maxwell, better known as Ray, passed away peacefully on Monday August 7, 2023. Born on the 19th of May, 1961, Ray led a life full of vibrant humor and infectious laughter. Ray was always keen on making those around him smile, brightening up their day through his jokes. He graduated from Minor High School in 1979 and went on to be known by friends as the "King of Rock" as he prided himself on his sheetrock skills and more so on his unmatched work ethic.

Ray is survived by his four children; Genny Prosch, Nat Maxwell, Jonathan Maxwell, and Ben Maxwell, as well as his 7 grandchildren. As a father, he instilled in them the value of hard work and generosity, teaching them that hard work and service to others are the building blocks of a successful life. His legacy of love, laughter, and hard work will continue through them.

Ray's happy nature will be dearly missed but fondly remembered. His life serves as a beautiful memory for those who knew him, a testament to laughter, affection, hard work, and the reward of a life well lived. His legacy will forever live on in the hearts of his loved ones.

The funeral will be Saturday, August 12, 2023 at 11:00A.M. at Peoples Chapel with visitation from 9:30 A.M. until 11:00 A.M.

Tribute Wall

SD

“ Ray was a delight to listen when telling his stories about life experiences and about his children and grandchildren. His observations of the world were always descriptive and interesting. One I will always remember was the story about his work on an offshore oil rig in the gulf and seeing the curvature of the earth as the sun rose in the east and still seeing the night to the west. Ray was a keen watcher of the beauty of the world. I will miss his visits to NC.

“ *I served a mission with your son Nat and just from the few times he talked about you I knew without a doubt that he loved you and thought the world of you. I hope one day to tell you in person just how important your son was in shaping who I am today. Sending love and heart from my tiny room in California.*
