“ Our deepest sympathy to the family of Ned Johnston. We worked together many years at the Birmingham Airport with Delta Airlines. Ned was always active with the Delta Retirees Luncheon. We all enjoyed getting together and sharing memories of our working years. May our Lord, family and friends bring comfort to each of you at this time.

In Christ's love,

John and Linda Newton

“ I loved Ned so much. He was like an extra father to me. We grew close again later in life when I became an amateur radio operator. He loved giving me a hard time about learning code. He will be sorely missed. I’m praying for the family.
