“ Dear Mary, You and your family have been lovingly remembered, today. You are precious to us. Thank you for being so many things to so many people over these past months. It has been an honor to have learned just a little bit about your mother along the way. She is one person I wish I could have met in person. I think you may have some of her spirit! May that tough, southern lady spirit and the lovingkindness of God bring you and your family abundant comfort in the days and months ahead. Bless you, Mary.

“Your dead will live.
My corpses* will rise up.+
Awake and shout joyfully,
You residents in the dust!+
For your dew is as the dew of the morning,*
And the earth will let those powerless in death come to life.* Isaiah

“ Even though I did not know your sweet mother, I know her through each of you that represent her so well. She raised such a wonderful family. You are a family with servant hearts and kindness beyond measure. As you cared for her she knew she was leaving this world with her job as a mother very well done....that is always the prayer of a mother that her children would make the world a better place and you all can stand proud for giving her that gift. Love and blessings in our precious Lord's name. I wish I could be with you.
